About LeanOhio

The mission of LeanOhio is to make government services in Ohio simpler, faster, better, and less costly. Using the improvement methods of Lean and Six Sigma, Ohio's state agencies are cutting red tape, removing inefficiencies, improving customer service, and achieving measurable results.

The LeanOhio Network includes hundreds of state employees who have been involved in Kaizen events and other improvement projects. Many have earned Lean certifications. The Network includes state employee unions and members who promote Lean, improve processes, and partner with the state to teach Lean tools and strategies.
